## Debit Card Safety Tips

- Keep your PIN secret and protect your card as if it were cash.
- Report your lost or stolen card ASAP
- Never respond to unsolicited emails with card information
- Look for secure transaction symbols when shopping online (“Lock” logo and Web addresses starting with “https”)
- Sign up for Internet Banking service and review account activity often.
- Never use an ATM that looks like it has been tampered with, as indicated by loose or extra parts attached to the machine.
